1. PURPOSE

This policy sets out how Mid and East Antrim Borough Council will consider support for any constituted community or voluntary group undertaking activities within its statutory and civic remit where there is a benefit to the Mid and East Antrim Area.

2. BACKGROUND

A budget of £430k has been identified for reinvestment back into the Mid and East Antrim Borough Council community via funding for projects, events and festivals allowing them to become more sustainable attract more visitors and tourists and support the local business and economy.

The Grants Support Scheme, as allowed for within this policy, provides a basic model to which new categories can be added and existing ones can be amended to suit the needs of the relevant sectors.

Groups are permitted to apply for a maximum of two grants (individuals one grant) per financial year plus one application for an Automated External Defibrillator (AED) - see page 5 for further information. In addition, groups may apply for funding towards events to celebrate the wedding of His Royal Highness Prince Harry and Ms. Meghan Markle on 19 May 2018 - see page 8 for further information.

3. SCOPE

To qualify for a grant under this Scheme, applicants must meet the following criteria:

- a) Community organisations should be formally constituted with a current committee (appropriate details are requested in the Application Form) based in the Mid and East Antrim Borough Council area.

Organisations based outside of the Mid and East Antrim Borough must demonstrate that the activity provides a clear and direct benefit to the Borough (this relates only to the Events category of this scheme).

Organisations based outside of the Mid and East Antrim Borough are ineligible to apply for any other category of this scheme).

A community organisation is defined as a group constituted to undertake specific duties and responsibilities as confirmed in their constitution for no private or commercial gain. There are a number of ways in which to constitute a community group and this can include groups that have a memorandum and articles of association as long as any profits are reinvested and not for private gain. This includes faith based groups and single identity organisations undertaking community activities.

Or

11. PROCUREMENT OF GOODS AND SERVICES

The following procurement procedures must be adhered to when purchasing any individual good or service relating to the project or event. Applicants are required to upload the necessary written quotations as outlined below to the application form. Failure to do so will result in the application not moving to the next stage of evaluation and may be deemed ineligible for funding.

Quotations:

Estimated value of individual item of expenditure (exc. VAT)	Number of Quotations Required
£0 - £2,999.99	Minimum of 1 telephone / email quotation
£3,000 - £7,999.99	Minimum of 3 written / email quotations
£8,000 - £29,999.99	Minimum of 4 written / email quotations

Tendering:

Estimated value of individual item of expenditure (exc. VAT)	Procedure
£30,000+	Publicly Advertised Tender

Regulations to note:

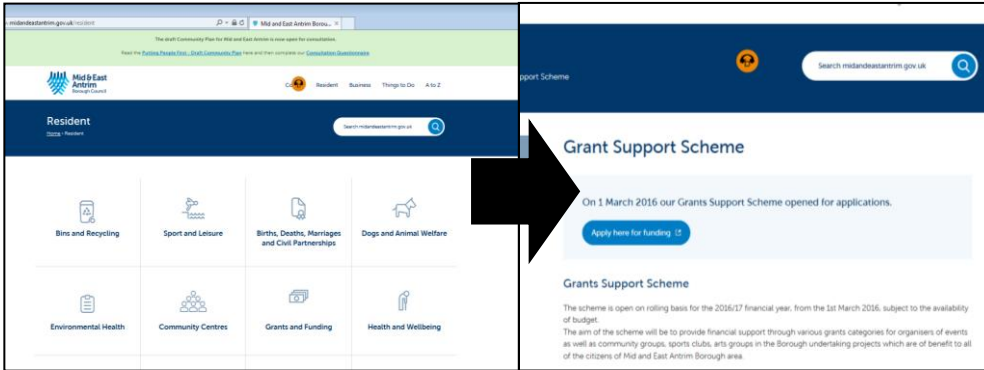

- The Public Supplies Contracts Regulations 1991
- The Public Works Contracts Regulations 1991
- The Utilities Supply and Works Contracts Regulations 1992
- The Public Services Contracts Regulations 1993

- It is good practice to have a system of opening and evaluating tenders.
- Claims: Please use the proforma provided and submit by the target date. Original invoices and receipts should be submitted and a copy retained for your records.
- Any legal agreements should only be made following professional advice.
- When renewing insurance always check with alternative firms to obtain the best quote. Voluntary organisations like NICVA have favourable group arrangements in place.
- Applicants are advised to maintain records of small purchases in a petty cash book and to ensure that cheques are not signed in advance.
- Where it is evident that one supplier can provide the product or service as one itemised invoice as opposed to a series of invoices, the project promoter should treat this as such and seek quotations according to procurement thresholds. This will ensure the best value for money. Separating the scope of works into sections for the purpose of invoicing below the procurement threshold, will be deemed by audit as purposely splitting work values to avoid due process.

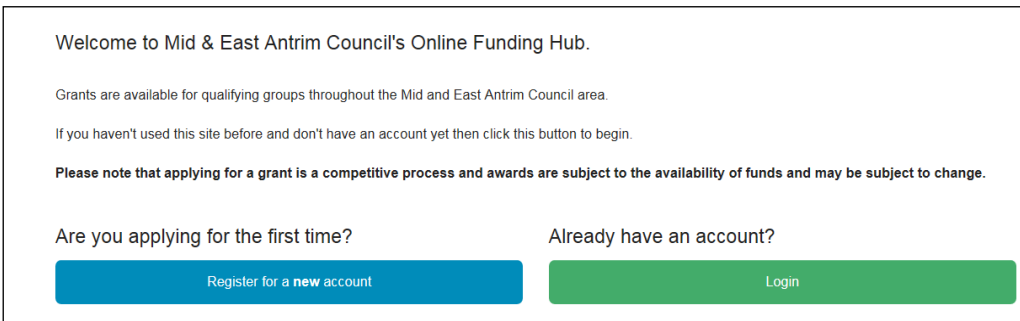

N.B. Council, at its discretion, may contact suppliers directly to verify expenditure has taken place in accordance to the application for funding and any offer of funding by Council. Cases of suspected fraud involving Mid and East Antrim Borough Council funds will be reported to the police.
